

# BELMONT HOUSE JUNE 2018 NEWSLETTER

## DATES FOR THE DIARY

*Once a month  
Yester Years  
Musical Minds  
Movie Memories  
Knit & Natter*

*July 3<sup>rd</sup>  
Church Choir*

*Aug 16<sup>th</sup>  
Aphrodites*

## ROAD TRIP

On 8<sup>th</sup> June, William accompanied by several staff and family members went on a trip around our beautiful countryside. A lunch had been arranged at Green Valley, Castle Kennedy, of soup and sandwiches which was very much enjoyed. Just before returning home, a stop was made at the ice cream shop in Portpatrick. A wonderful day was had by all who attended.

*Excerpt from poem written  
by a very talented resident*

Bye Bye May, welcome June

Let's hope the summer comes  
quite soon

No time for thought or meditation

This month saw the Coronation

Historians think back as scholars do

To remember it saw battle at  
Waterloo

More recently and what a price to  
pay

Saw Allied landings on D-day

Magna Carta signed and sealed

All sorts of gripes and groans it  
healed

Scots lost their leader, Robert the  
Bruce

Left a kingdom going loose

Many viewers were incensed

When the TV was to be licensed

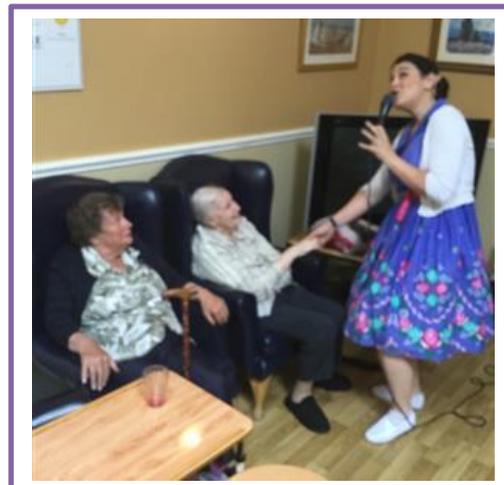

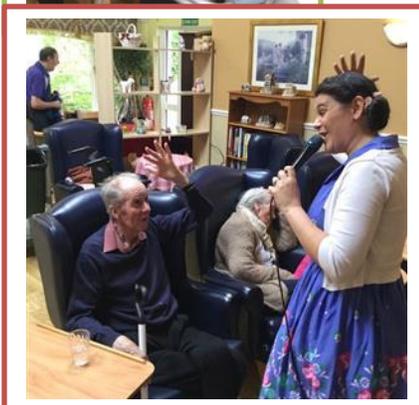

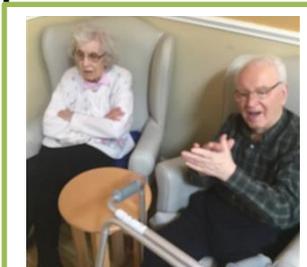

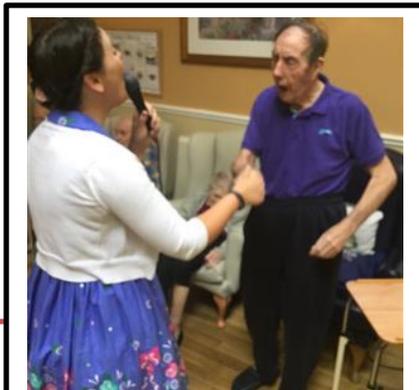

But worry not

Cause like all the world we've gone  
to pot

## APHRODITES

Back due to popular demand was Heather from Aphrodites. Heather is a firm favourite with all of us here and encourages everyone to get up and dance along to her varied selection of both modern and popular music from times gone by, as you can see from the pics below.

## BELMONT BIRTHDAYS

We have had a donation of 2 planters and a garden bench donated by Potters (Stair Park community garden centre). This group was founded to promote community engagement and deliver a garden/training centre specifically for people with learning disabilities. These are soon to be filled with plants as per residents suggestions and will be situated beside our pond.

We have also been very generously gifted a large greenhouse from a member of our care staff, Jeanette Hannay.

This will soon be up and running and our green fingered residents look forward to making good use of it.

Janet celebrated her birthday with friends and family

*PADGA celebrated his 80<sup>th</sup> in style*

June celebrated her birthday with a lovely birthday cake.

Betsy blowing out her candles

We have had such a wonderful spell of summer weather which has encouraged us all to go outside on the patio enjoying the glorious sunshine and incredible heatwave. Thanks to the kind donation from the Hall family, we now have 2 new benches, planters and flowers including thyme, rosemary, lavender, lemon balm and chamomile, all soothingly aromatic. With our fence painted a beautiful blue it really is a lovely area to sit and relax.
