THE MONTH OF APRIL AT BARROW HALL

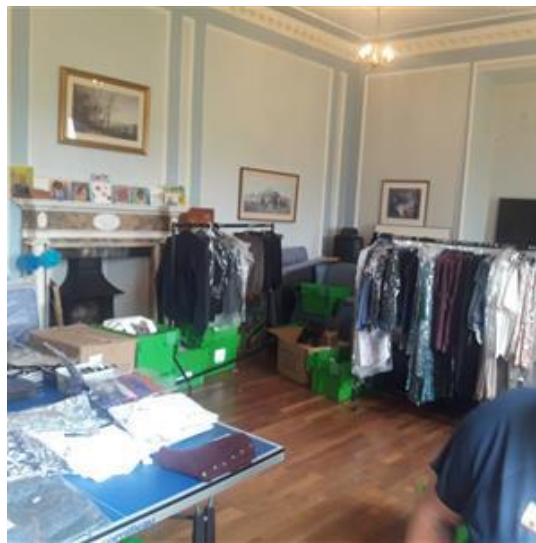

The weather is better, the sun is shining, and we all feel we want to get out and enjoy the days.

Philip started the month deciding to start cooking for himself. This was planned with a trip to Scunthorpe market to purchase his goods. A trip to the pub for a lunch and a pint was enjoyed. Philip chose to cook himself a steak with all the trimmings. Although this was a challenge for Philip, it was thoroughly enjoyed. Lunch was shared with Nigel(nurse).

We had a Clothing party for the first time. This gave all an opportunity to purchase something new, but also gave the Key workers a chance to shop with their residents that might not feel able to go out to shop for new clothes. We were given 10% of the total purchases made. This gave us £70.50 towards future activities.

NEWSLETTER

We have been spending time in Arts & Crafts preparing for Easter.

Several residents enjoyed decorating Eggs. These were entered in St Philips competition.

We had our Residents meeting at the end of this month.

Many attended to have an open discussion and an update given on our refurbishment.

Our Manager, informed all present of the next planned changes to happen and any disruption will be kept to a minimum where possible.

Residents were reminded that Holidays are now being booked.

The time was spent also discussing the Menu. The summer menu will start giving new choices.

Themed evenings will also start again as this is a chance to experience new recipes.

Now the better weather is here we can start planning Barbecue evenings too.
